Anti-virus - Symantec

ERAC has finalized an agreement providing ERAC members with Symantec anti-virus solutions. This arrangement provides members with discounted pricing for purchase or maintenance renewal.

Summary

ERAC has partnered with the Purchasing Services Branch in a Corporate Supply Arrangement (CSA) for Symantec anti-virus. These anti-virus solutions and support provides licensing and maintenance renewals for an initial term of 36 months with options to renew the existing agreements for 2 consecutive 2 year terms. Each ERAC member must read and agree to abide by the terms and conditions of the CSA as well as their ERAC membership. This pricing is confidential and not to be disclosed.

Timelines

May 9, 2007 – June 9, 2010

Pricing

This offer will be for the supply of Symantec licenses and support as outlined in the CSA Terms and Conditions and Schedules:

<http://www.pc.gov.bc.ca/mso/IDIR%20Access/Software/Anti%20Virus/000377%20Software%20House%20International.doc>

The agreement requires that the pricing be treated as confidential and not be published to non ERAC members. B.C. schools or individuals interested in the pricing can obtain the information by contacting your ERAC District Software contact or your Purchasing Department.

Details

The Symantec anti-virus licenses are a perpetual license, with a term applied only to the maintenance and updates. It will accommodate multiple operating system instances within a virtual environment and can be deployed and managed centrally over a network. ERAC members must read, understand and abide by the terms and conditions of the CSA. There are explicit details on the anti-virus product(s) in the CSA and further information on these products can also be obtained at:

<http://www.symantec.com/enterprise/support/overview.jsp?pid=51852>

This CSA will expire on June 9, 2010, unless withdrawn in accordance with paragraph 9 or made available for further 24 month extension terms. Entities accessing the CSA will be required to confirm the expected start and end dates of licenses. It is anticipated that most licenses will be purchased with a maintenance term as described in Appendix 1, commencing June 30, 2007 and will continue until June 29, 2010 unless extended as outlined in the terms of this CSA. Any prorations for overlapping license term dates will be arranged on a case-by-case basis and should be discussed with the Offeror.

Standard Software Warranty provisions apply. Essential support is the new term for Platinum support. All features are comparable to the support program originally provided to the CSA agreement. Support for existing license would be treated as a "renewal". Return policies are 30 Days.
