Details

Information to Note

- Agreement is only for the Enterprise editions of Deep Freeze and Anti-Executable. The Standard version is not part of the ERAC agreement.
- Agreement is valid for new orders only. This includes either additional licenses for districts that are currently using Faronics utilities, or new licenses for districts that have not previously purchased from Faronics.
- This agreement is not applicable for upgrading product editions (e.g. Standard to Enterprise, or Pro to Enterprise). Districts with this need should contact Faronics directly for conversion prices from Standard or Pro to our Enterprise version.
- Maintenance and support must be purchased for the initial year.
- Maintenance and support on software ordered on this agreement will start on the day of purchase.
- If districts want to continue with the maintenance plan and harmonize the renewal dates to match other licenses they must contact Faronics directly.
- Orders will be made out to Faronics and submitted to ERAC for processing as below.
- Faronics will invoice District/Schools.
- Support issues will be handled by Faronics, not ERAC.
- The Maintenance and Support Package ensures that you receive Premium Technical Support and Updates, specifically:
 - ✓ Premium Technical Support: Unlimited toll-free phone, fax and email support for your organization's technical employees.
 - ✓ Software Assurance: Automatic access to the latest software updates for all licensed units.

- ✓Price Protection: Guaranteed volume-level pricing for additional licenses based on previous purchases.
- ✓License Conversion Pathway: Conversion of existing licenses to a different product edition at economically viable prices.

Ordering Info

Placing Orders (Order forms to be filled out and faxed into ERAC)

1. Fill out the Faronics order form on the ERAC website. See your District software contact for a copy of the Order Form if you do not have one
2. Make your purchase order out to Faronics as applicable
3. Fax the order form in to ERAC along with your purchase order
4. Product will be shipped directly from Faronics to Districts
5. Faronics will invoice Districts/Schools directly
6. District/Schools will pay Faronics
