

Videos

Some databases include *video clips*. If videos are available with the database, they are displayed below the **Video** source type on the Result List.

You can also search for videos on the Images/Video Search Screen.

To search for videos:

1. From the Images/Videos Search Screen, enter your search terms and select any limiters or expanders you want to apply.

The screenshot shows the EBSCO search interface. At the top, there are navigation links: Keyword, Subjects, Publications, Dictionary, and More. A search bar contains the text "Martin Luther King" with "Search" and "Clear" buttons. Below the search bar, there are links for "Search Options", "Advanced Search", "Visual Search", "Search History/Alerts", and "Preferences". The "Search Options" section includes "Search modes" with radio buttons for "Boolean/Phrase", "Find all my search terms" (which is selected), and "Find any of my search terms". There is also an "Apply related words" checkbox. The "Limit your results" section has a "Videos" checkbox that is checked and an "Images" checkbox that is unchecked. Under "Image Type", there are several sub-options: "Photos of people", "Natural science photos", "Photos of places", "Historical photos", "Maps", and "Flags". A "Search" button is located at the bottom left of the form.

2. Click **Search**. A Result List with Images and Videos is displayed. You can switch between All Results, Images, and Videos.
